RE: RFP # 2022111 - Questions submitted by 4/27/22 by 4:00 p.m.

To whom it may concern:

1. *Does it need to be submitted by hard copy/mail AND electronically? In the electronic submission, should the proposal be sent to Teresa Elliott directly?*

Please refer to page five of the RFP. Both a hard copy and an electronic copy are being requested – an example of this would be a flash drive included with the hard copy. Emailed submissions will not be accepted.

2. *Section 3 – Purpose of Proposal – this section would be the actual PV system/EV proposal from XYZ vendor, correct?*

Correct. This is the section that should address how the proposer will address all factors listed in Section 2 of the RFP.
